Wat is DevOps?

- “DevOps is the union of people, process, and products to enable continuous delivery of value to our end users”

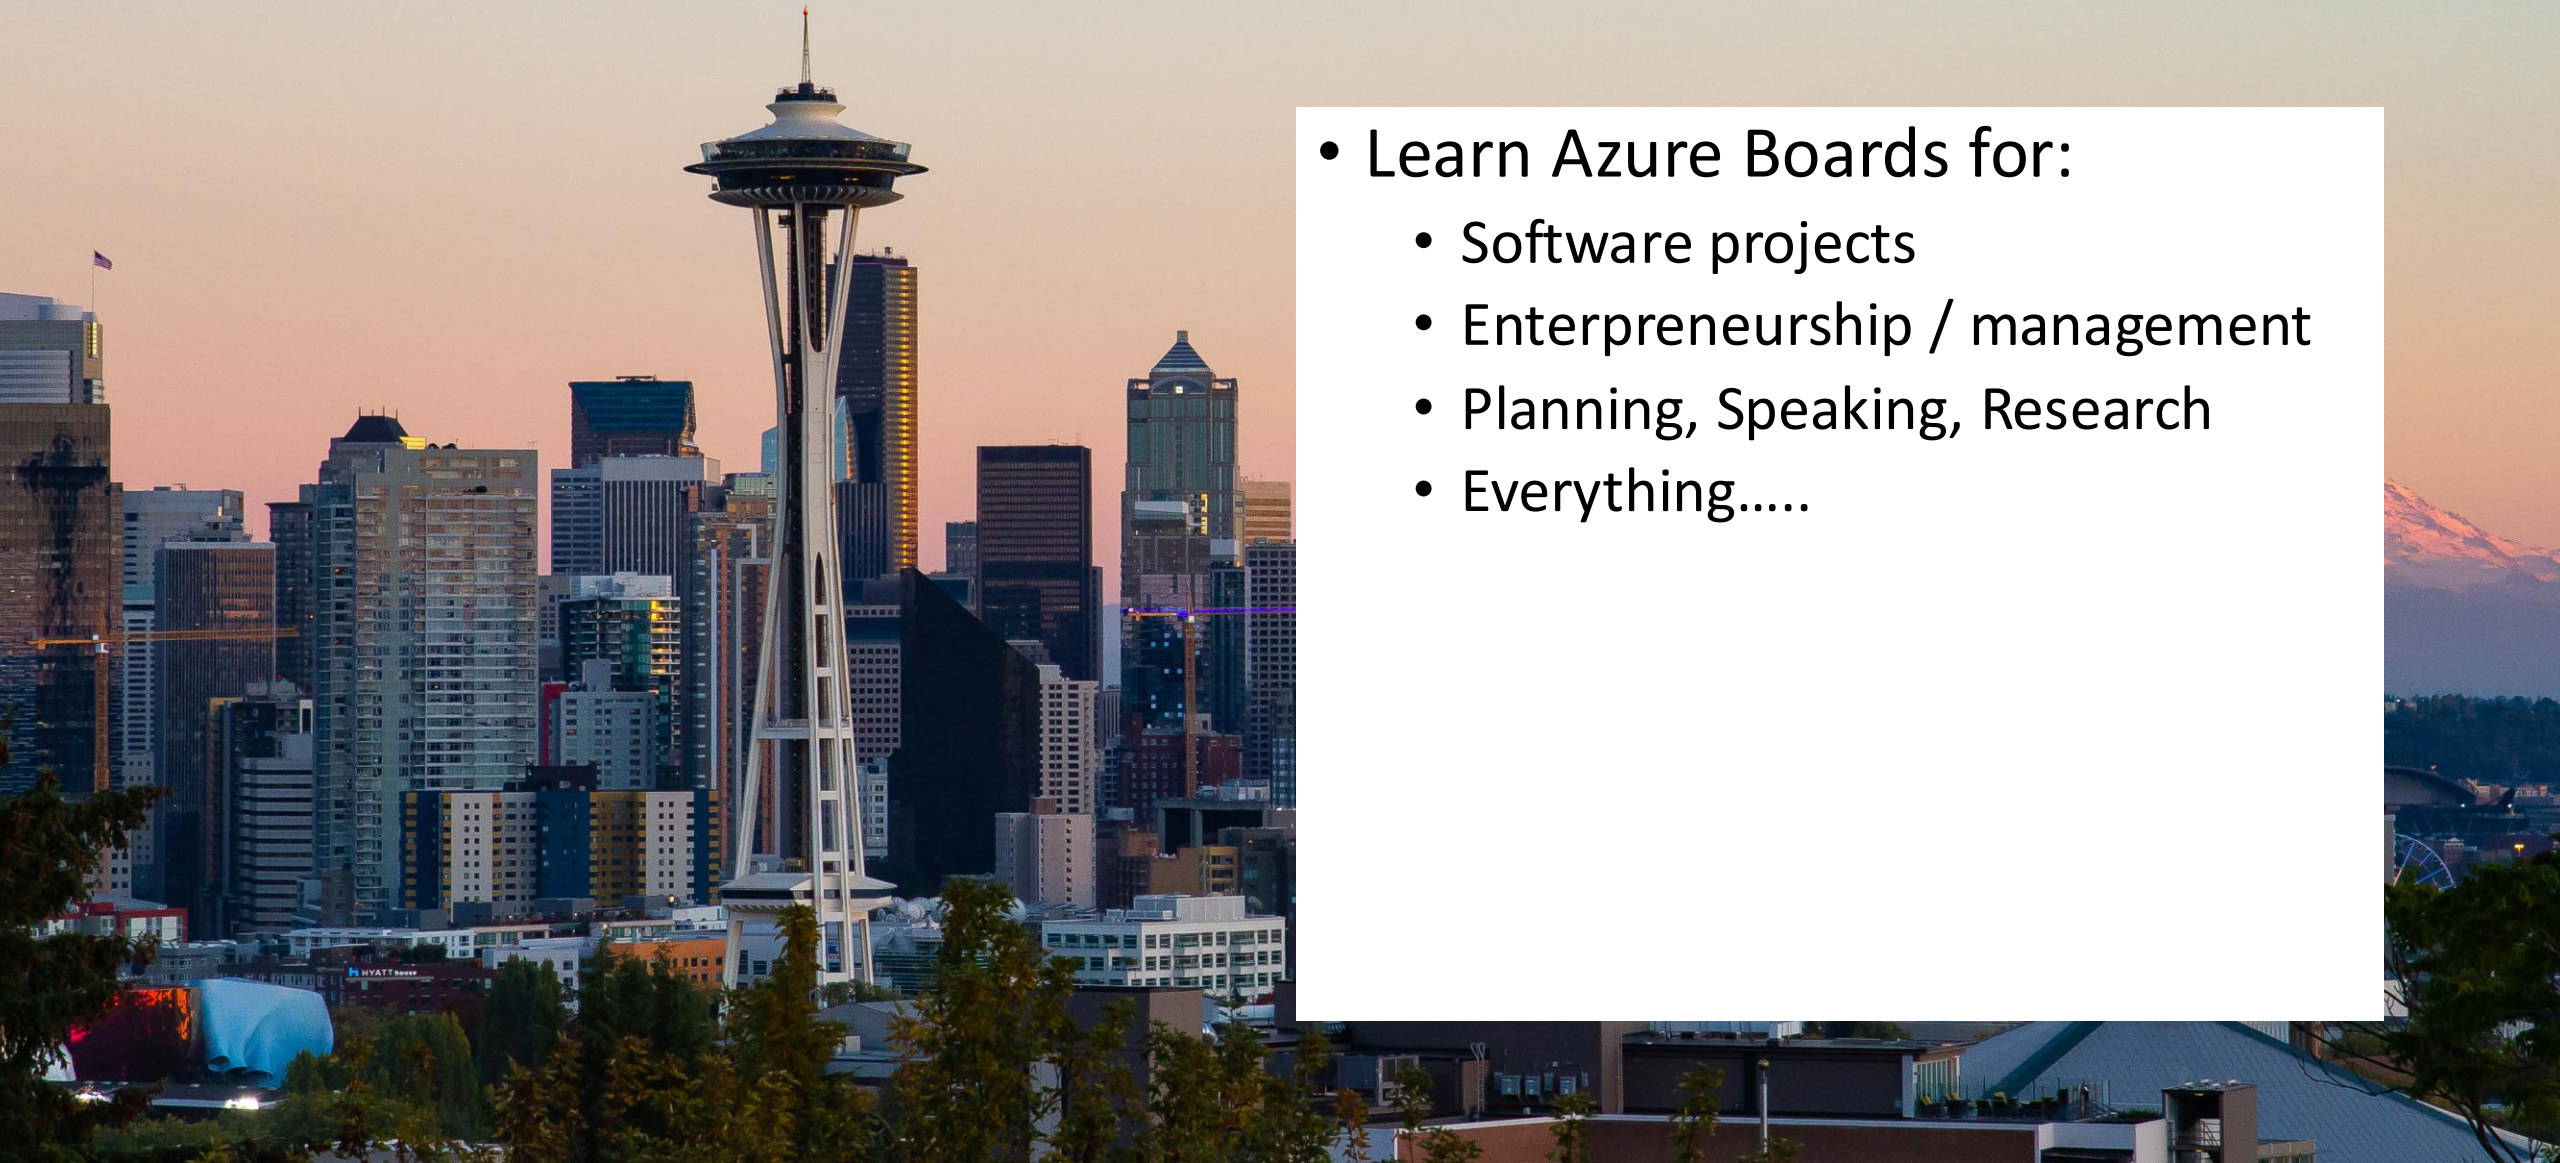

Microsoft's implementation

Azure DevOps

Our goal of today

- Learn Azure Boards for:
 - Software projects
 - Entrepreneurship / management
 - Planning, Speaking, Research
 - Everything.....

A wide-angle photograph of the Seattle skyline at sunset. The Space Needle is the central focus, its white structure standing out against the orange and pink sky. To its left, a dense cluster of skyscrapers is visible, including the dark, tiered Smith Tower. The city extends to the waterfront on the right, where the stadium lights of the CenturyLink Field are visible. In the foreground, the tops of green trees and some lower-level buildings are visible. A semi-transparent white box with blue text is overlaid on the right side of the image.

Views

Head boven water // Backlog view

The image shows a Jira Backlog view with a Kanban board layout. The board has four columns: New, Active, Resolved, and Closed. The 'New' column contains one item (677) and the 'Active' column contains two items (675 and 676). The 'Resolved' and 'Closed' columns are empty.

Columns and Item Counts:

- New: 1 item
- Active: 2/5 items
- Resolved: 0/5 items
- Closed: 0 items

Item Details:

- Item 677 (New):** "If I click the settings button, I can configure my app". State: New.
- Item 675 (Active):** "If I open the app I see the menu of today". Assignee: Dennie Declercq. State: Active.
- Item 676 (Active):** "If I move the next button, I see the menu for tomorrow". Assignee: Dennie Declercq. Priority: 3. State: Active.

Tracking you work from Visual Studio (3)

A wide-angle photograph of the Seattle skyline at sunset. The Space Needle is the central focus, with its iconic saucer top and spire. To its left, the dark, jagged silhouette of the Smith Tower is visible. The sky is a gradient of soft orange and pink, transitioning into a pale blue at the top. In the foreground, the tops of green trees and some city buildings are visible. A semi-transparent grey rectangular box is overlaid on the right side of the image, containing the text 'DEMO TIME!' in a blue, sans-serif font.

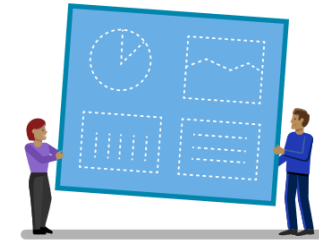

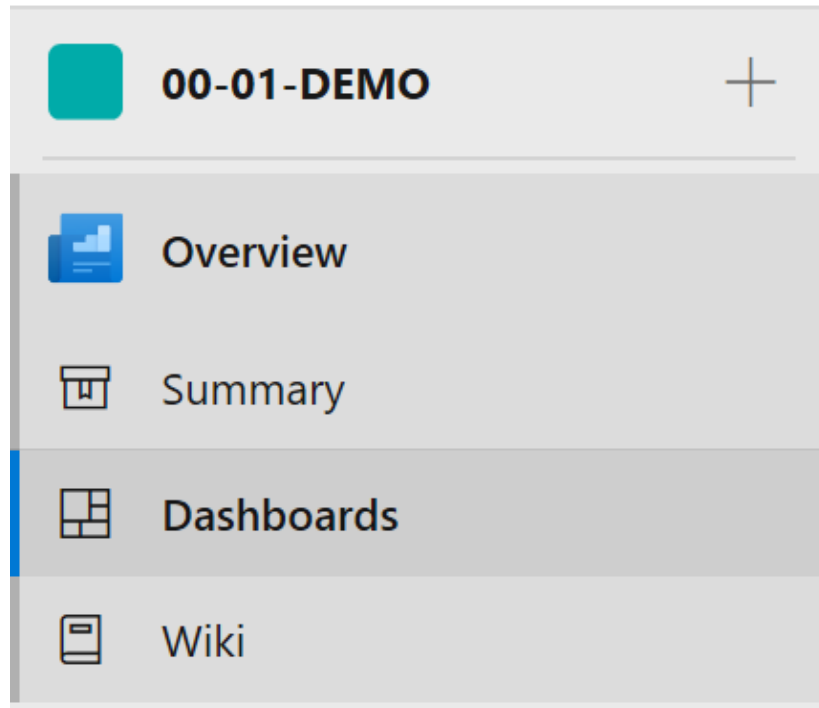

DEMO TIME!

This image is a continuation of the Seattle skyline scene. It features the same skyline with the Space Needle and Smith Tower against a sunset sky. However, the foreground is more prominent, showing more detail of the city buildings and green trees. A white rectangular box is overlaid on the lower-left portion of the image, containing the text 'Different views' in a blue, sans-serif font.

Different views

A panoramic view of the Seattle skyline at sunset. The Space Needle is the central focus, with its iconic saucer top and white lattice structure. The city is filled with various skyscrapers and buildings, some of which are illuminated. The sky is a mix of orange, pink, and blue, with a few clouds. In the foreground, there are some trees and a building with a blue roof.
